

Apartment Rosa

Méribel, France · Sleeps 6

Overview

Apartment Rosa is the perfect property for small families or a group of friends. This luxury self-catered ski chalet is located in the centre of Méribel Village only a few minutes walk to the Golf chair lift. In Méribel Village there are local amenities including a small supermarket, bar and two restaurants. Méribel Village also has what is considered by some, as the best bakery in the Trois Vallees. Another real bonus with Apartment Rosa are the views from the balcony and the access to a shared heated swimming pool, giving your stay the feel of a luxury ski holiday.

The Golf chair lift connects you to the main ski area, where you can start to explore all the Trois Vallees has to offer - into [La Tania](#), [Courchevel](#) and eventually [Val Thorens](#) to name a few. There is a bus stop that runs a regular service to [Méribel](#) itself and a driving service that is included in the package for mornings and afternoon lifts if preferred.

Apartment Rosa has a sociable open plan living and dining area with large balcony with stunning views. Downstairs there is a double bedroom with en-suite bath and separate WC in the hall. Upstairs there are two further bedrooms, including one double and one twin. These bedrooms share a shower room in the hall with WC and also worth noting is that two of the rooms can fit a cot if travelling with infants.

Although as standard Apartment Rosa is rented on a self-catered basis, there are numerous 'upgrade' options available to add such as cleaning, breakfast and ready made meal deliveries. This means the stay can be some what bespoke to your needs.
