

## Portetta Loft V

Courchevel Moriond (1650), France · Sleeps 4

### Overview

Conveniently positioned at the foot of the slopes of [Courchevel 1650](#), the recently renovated Portetta complex is relaxed and family-friendly. The hotel's popular sun terrace gives direct access to the children's nursery slopes, making it an excellent base for families with small children.

Its six apartments or 'lofts' all offer stunning valley or mountain views, many with balconies overlooking the slopes. This particular loft has a double bedroom and one bathroom. This loft which is around 60m<sup>2</sup> has a large balcony with great views and a fully equipped kitchen. The lofts have their own private lift entrance that is separate from the rest of the hotel complex.

The Portetta Lofts benefit from the space of a chalet with the shared facilities of the Hotel Portetta which is located just below. The hotel has a lovely restaurant and spa as well as an in-house ski rental shop.
